Excursions of your cruise

Day 2 - Sunday NAXOS (1/2 day)*	The kouros of Melanes dates from 600 BC, a fabulous example of this ancient Greek stone art in the middle of a small garden. You'll visit the church of Drossiani at the entrance to the village of Moni, a beautiful 6th century Christian church that houses magnificent mural paintings. You'll drive through the centre of the island, stopping at one of its beautiful villages - Aprianthos, nicknamed "the marble village".
Day 3 - Monday KOS / ASKLEPEION (1/2 day, morning)*	The Asclepeion of Kos: a sacred place of healing on a green hillside with spectacular views where you will learn about the Asclepeion, one of the most important archaeological sites of Greece. A genuine religious centre dedicated to healing, it included, among other things, infirmaries, temples, hot springs, hotels and a medical school. After your visit, you will travel to the traditional village of Zia on Mount Dikaio, and take in the panoramic view of the entire island. You will end your walk with a visit to the Tree of Hippocrates, under which he would have taught medicine.
Day 4 - Tuesday DELOS (1/2 day, morning)*	The birthplace of Artemis and Apollo, Delos is the paradise of archeologists: its 5 sq km are full of ancient ruins, temples and Greco-Roman sanctuaries. With our guides you will learn about this "diamond" of the Cyclades, a true open-air museum with all the essentials of ancient life, in particular a large pan-Hellenic sanctuary along with a maritime and commercial city with its ports and shops.
Day 4 - Tuesday MYKONOS / TRANSFER MYKONOS BEACH (1/2 day)*	Transfer to the beautiful Kalafatis beach with fine sand (sunlounge and umbrella rental available on site).

Next, we'll visit the village of Fanari, also known as Faros, located at the eastern end of Ikaria. Faros lies on a small plain with many vineyards. Your next stop is the village of Xilosirtis. It's particularly beautiful and picturesque because it's hidden in the gentle shade of apricot trees. Finally, you'll visit the monastery of Evaggelismos ("the Annunciation"). It was built in the 18th century by two Kollyvades, fathers of Mount Athos. With pirates rampant in the Aegean, the fathers took refuge in Ikaria and built the monastery dedicated to the Annunciation. the opening of the Monastery during the times of visit will be verified few days before your venue.

This striking architecture has achieved heritage status. The picturesque alleyways form a maze where all roads lead to the main square.
Day 6 - Thursday CHIOS / CHIOS OUT OF TIME (1/2 day - morning)*	You will head off to the north towards the abandoned fortified hilltop village of Anavatos. This is the place where a tragedy occurred in 1822. In order to avoid the massacre threatened by the Turks, the women and children threw themselves to their deaths from the top of the village. You will then visit the monastery of Nea Moni built in the middle of the 11th century. The church houses beautiful mosaics with gold backgrounds and the catholicon is octagonal and richly decorated. The monastery of Nea Moni is listed as a World Heritage site by UNESCO.

And enjoy live commentary from your local guides during your cruise!
