Itinerary of your cruise

Day 1 - Friday MARSEILLE	Founded in 600 BCE by Greek sailors from Phocaea, the Old Port and its historic neighbourhoods, the Byzantine-style Notre-Dame-de-la-Garde basilica, its sunny cornice facing the sea and its wild rocky inlets make it a city of great contrasts. Ship docked, no water sports. Boarding and disembarkation port of call.
Day 2 - Saturday SAILING ON THE OPEN SEA	A restorative day at sea. Choose from the range of inviting possibilities on our remarkable sailing ship. Lounge on chaise longues, cool off in one of our two swimming pools, work out with a sea view in our Espace Fitness, find instant calm at the spa and enjoy the attentive company of our G.O® team and crew members.
Day 3 - Sunday CAGLIARI	The gateway to Sardinia, Cagliari and its seven hills boasts one of the island's best beaches, Poetto. The city still bears numerous traces of its Phoenician, and then Roman history. Ship docked, no water sports, beach.
Day 4 - Monday LA GOULETTE/TUNIS	Situated 10 km from Tunis, the picturesque port of La Goulette has suffered many attacks in the past, the most memorable of which was perpetrated by Barbarossa in 1534. Charles V, who then seized it, had a Spanish-Turkish fortress built at the entrance to the town, which was used as a prison for a long time. Boat at quay, no water sports.
Day 5 - Tuesday PORTO EMPEDOCLE/AGRIGENTE	The best-selling novels of the Sicilian author, Andrea Camilleri, and his detective inspector Montalbano, are intricately linked to Porto Empedocle, a village in the province of Agrigente, to the extent that the municipality wanted to change its name to "Porto Empedocle Vigata", the fictional name of the town in the books. The places imagined by Camilleri come to life as you explore the real life town.
Day 6 - Wednesday LA VALETTE	Its deep natural port gave Malta its status as the crossroads of the Mediterranean, and a history that goes back to the dawn of humanity. Mystical and cultural, its blend of styles preserves its fascination intact. Ship docked.
Day 7 - Thursday SAILING ON THE OPEN SEA	A restorative day at sea and choose from the range of inviting possibilities on our remarkable sailing ship.
Day 8 - Friday PYLOS	The Mycenaean city of Pylos rises up from a rocky promontory on the western coast of the Peloponnese. You'll have a wonderful surprise when you walk down to the bottom end of the village, and the perfectly semi-circular beach comes into view. Ship at anchor, water sports available, no direct access to a beach.
Day 9 - Saturday CYTHERA	The birthplace of Aphrodite, who has inspired so many painters and poets, is a place to let the imagination wander. Its isolation at the foot of the Peloponnese offers a quiet refuge of rocky coves and deserted beaches. Boat at anchor, beach and water sports available.
Day 10 - Sunday MILOS	This volcanic island with astonishing landscapes and pink, white and gold beaches is the home of the celebrated Venus. Ship at anchor. Water sports.
Day 11 - Monday SIFNOS	The iconic symbol of Cycladean chic, this elegant island, full of contrasts, offers arid mountain landscapes that rub shoulders with lush green valleys, and monasteries that tower above the fine sandy beaches. Ship at anchor, water sports available.
Day 12 - Tuesday KITHNOS	
Day 13 - Wednesday ATHENS	The Greek capital opens the pages of its age-old history. In the heart of modernity, the Acropolis and the narrow streets of the Plaka district reveal their splendour and charm. Ship docked. Passengers may board and disembark here.

Excursions of your cruise

Day 3 - Sunday CAGLIARI / IN THE HEART OF CAGLIARI (1/2 day)*	Set off to explore Cagliari. Stroll along the rows of stalls at San Benedetto market, the largest covered fish market in Italy, rubbing shoulders with the locals and soaking up the region's culture. See the most iconic sights the city has to offer, from Poetto beach to Monte Urpinu, before walking through the old town.
Day 3 - Sunday CAGLIARI / STREET ART AND SARDINIAN TASTES (1/2 day)*	An artist once had the idea to turn the village of San Sperate into a giant canvas. Now it's a veritable open air museum, where you can admire striking optical illusions at almost every turn. After walking around the village, it's time to visit a wine estate. Enjoy a wine tasting accompanied by local delicacies at the home of some of Sardinia's best wines.
Day 4 - Monday TUNIS / CARTHAGE AND SIDI BOU SAID (1/2 day)*	Leave the modern city behind and travel to ancient Carthage. Your guide will show you around this historical site that is over 3000 years old, where you can marvel at the beautiful examples of Punic and Roman buildings, including the ruined amphitheatre. After your visit, you will continue to the Moorish village of Sidi Bou Said, with its bright blue and white painted houses. Your guide will walk you around this village, perched on the cliffs overlooking the bay of Tunis.
Day 4 - Monday TUNIS / MEDINA DE TUNIS (1/2 day)*	This guided tour through the winding streets of the old city of Tunis is an opportunity to discover the rich cultural heritage of the old walled city and to discover the exquisite craftsmanship of Tunisian artisans.
Day 4 - Monday TUNIS / THE AMAZING UTHINA (1/2 day)*	Leave the Tunisian capital and visit the archaeological site of Oudna, open to the public only since 1999, formerly called Uthina. Set amidst grassy meadows overlooking a vast agricultural landscape, the site contains two main monuments, the Capitol and the Amphitheatre. Also discover its cisterns, its thermal baths, its villas, its mosaics and its theatre! Have fun getting lost in this still little-known Roman city with enormous potential.
Day 5 - Tuesday PORTO EMPEDOCLE / THE VALLEY OF TEMPLES (1/2 day, morning)*	The Valley of the Temples in Agrigento has been a UNESCO World Heritage Site since 1997 and is the most important evidence we now have about life in Classical Greece. The stunning archaeological remains of the period have drawn numerous famous visitors across the centuries, from Ariosto to Goethe, Maupassant to Pirandello. You too will have your breath taken away by the Temple of Juno Lacinia. The sheer size of the imposing and remarkably well-preserved Temple of Concordia will make a big impression, as will its harmonious proportions. Then you will head to the Temple of Hercules, the city's hero, and the Temple of Zeus, built to thank the deity for the victory over the Carthaginians at Himera.
Day 6 - Wednesday LA VALETTE ET SES MERVEILLES (1/2 journée - matin)*	Fortified by the Knights Hospitalier, then transformed into a baroque masterpiece with churches, palaces and museums, La Valette encapsulates Malta's history and artistic heritage. Your trip begins with the Upper Barrakka Gardens, which offer outstanding views of the Grand Harbour and Three Cities. Then see the Grandmaster's Palace, where the richly decorated interior shows the power and prestige of the Knights of St John. At the end of the trip, enjoy some free time to wander the streets of this charming town. (St John's Cathedral is closed on Saturdays afternoon and sundays.)
Day 8 - Friday PYLOS / NESTOR'S KINGDOM (1/2 day)*	Perched at the top of a hill, surrounded by an ocean of olive trees, discover the Palace of Nestor, "Homer's wise hero", built between 1300 and 1200 BC. After the fall of Troy, Nestor returned to Pylos, one of the richest cities in the Mycenaean world, where he continued to rule for several years. You will see the marble Roman amphitheatre and the site where one of the most famous statues in the world once stood: The Venus de Milo. You can cool off after your sightseeing trip with a swim on Sarakinko Beach against an amazing backdrop (don't forget your swimsuit and beach towel).
Day 11 - Monday SIFNOS - ISLAND TOUR (1 half day)*	Discover the most authentic of the Cyclades. You'll be dazzled by its 235 chapels, including Chryssopigi, built on the tip of a rock. You'll marvel at the exceptional panoramas, the capital Apollonia and the medieval village of Kastro.
