## Excursions of your cruise

<b>Day 2 - Sunday</b> ROSEAU/ UNUSUAL SWIMS IN DOMINICA (1/2 day)*	Travel to the untamed summits of the island, and after a short walk you will come to a natural rock pool and narrow canyon fed by a waterfall where you can swim surrounded by nature. (Undeveloped natural site). Continue to the village of Wotten Waven, also known as the Wellness Village for its therapeutic pools fed by hot sulphur water. Be sure to take a soothing bath in the midst of fumaroles and porous volcanic rocks.
<b>Day 2 - Sunday</b> ROSEAU/ NATURAL WONDERS OF DOMINICA (1/2 day)*	Come and enjoy the most popular natural attractions that Dominica has to offer! Spanny Falls are still a bit of a secret, even though they are the height of a 7-story building. Continue on to the Trois Pitons National Park, and cross the forest to the Emerald Pool and its 12-metre waterfall where you can cool off (undeveloped area). You will finally make your way to the village of Trafalgar to the viewing platform to see the majestic waterfalls that the village is famous for before returning to the boat.
<b>Day 3 - Wednesday</b> ST LUCIA / ISLAND TOUR (1/2 day - afternoon)*	You'll discover the island's colonial past when we stop at St Mark's House in Castries. You'll have some amazing views of the island's lush vegetation as we drive along the Caribbean coast. We'll visit a former plantation, Morne Coubaril Estate, a gift from Louis XIV to the Deveaux family. To the present day the family's descendants produce sugar cane, copra, coconuts and manioc. And you'll discover La Soufrière with its fascinating geological activity, before getting back onto the boat in Soufrière Bay.
<b>Day 4 - Tuesday</b> BARBADOS / LITTLE ENGLAND (1/2 day)*	Don't miss this opportunity to discover the treasures of what we call "Little England" in the West Indies. First Farley Hill, a popular meeting place for Barbadians, then Bathsheba, a small fishing village beaten by the waves of the Atlantic and known to surfers from all over the world. Treat yourself to a refreshing drink at the new Hillcrest Community Center and finish with Codrington College. Long way by bus.
<b>Day 4 - Tuesday</b> BARBADOS / REMOTE BARBADOS IN A 4X4 (1/2 day)*	From sugar cane fields to tropical forest via the village of Bathsheba, you'll drive over dirt tracks through the most inaccessible parts of the island and see the finest views of the Atlantic coast. (bumpy road)
<b>Day 4 - Tuesday</b> BARBADOS / SUBMARINE (1/2 day)*	A unique opportunity to admire the splendour of the tropical sea. Venture into this realm of silence, 50 metres down, on a high-tech submarine. Discover the coral reefs (sea fans, sponges) and fish (angel, butterfly, surgeon and boxfish, to name but a few). Visibility depending on weather.
<b>Day 5 - Wednesday</b> MAYREAU / CATAMARAN, THE HEART OF THE GRENADINES (1/2 day)*	This postcard morning accompanied by an atmosphere and a purely Caribbean cocktail on board will take you to the translucent anchorages around the island of Mayreau. The climate, always suitable for swimming, will encourage you to refresh yourself in the turquoise waters of the Grenadines unless you prefer to tread on the sparkling sand.
<b>Day 6 - Thursday</b> TOBAGO CAYS / CATAMARAN MORPION ISLAND (1/2 day)*	Morpion - also known as Mopio - will make your paradise island dream come true! A tiny white sand island with a straw hut and palm tree leaf roof, the main function of this speck of paradise is to indicate the way to sailors. This highly photogenic spot has featured in magazines worldwide: today, it's all yours!
<b>Day 7 - Thursday</b> BEQUIA - CATAMARAN (1/2 day)*	You won't believe your eyes when you see the architectural curiosities of the Ile à Quatre. As you come alongside the coast, troglodyte-style buildings seem to spring forth from the rocks and tropical vegetation. This rock creation is called Moonhole, and is made up of a collection of homes created during the hippy era. The beautiful natural beach and the dives down to the corals beneath are simply heavenly.
<b>Day 8 - Saturday</b> FORT DE FRANCE / CLUB MED BOUCANIERS (1journée)*	Relax in your Club Med Les Boucaniers village before heading to the airport for your return home. Established in this idyllic setting since 1969, the Village exudes the Creole spirit. Imagine succumbing to the charm of one of the most beautiful beaches in Martinique facing the Diamond Rock... strolling in the tropical garden or in the coconut grove... Water sports are reserved for hotel guests.
<b>Day 8 - Saturday</b> FORT DE FRANCE / HABITATION CLÉMENT (1/2 journée)*	Discover Habitation Clément, an exceptional rum distillery in many ways. It includes a colonial mansion that welcomed presidents Mitterrand and Bush after the Gulf War, botanical gardens, as well as a distillery that produces the most famous rums in the French Antilles. Your tour will end with a tasting of old rum. For reasons of airport security, all purchases of bottles of rum made at the plantation must be packed in a suitcase destined for the baggage hold before checking in for your flight.

\* Excursion available at a preferential rate when booking your cruise. Subject to a minimum number of participants.
