Excursions of your cruise

Day 2 - Friday
ARRECIFE / CESAR
MANRIQUE : HÉRITAGE
ARCHITECTURAL DE
LANZAROTE*

Come and discover the architectural heritage of César Manrique, the brilliant architect who decided to turn his native island into one of the most beautiful places in the world. His different architectural projects all have the main characteristic of the inclusion of rocks, stones and lava flows, resulting in living spaces in harmony with the island's mineral environment. You will also be able to explore the amazing "jameos del Aqua" with its tunnels and panoramic terraces, as well as his foundation constructed on a lava flow where the architect's house was built.

Day 2 - Friday
ARRECIFE / THE FIRE
MOUNTAIN (1/2 day
- morning)*

The aptly named Fire Mountains still smoulder, sometimes at the surface. The volcanic formations have created incredible lunar landscapes, such as the Lagon at El Golfo.

After crossing the Timanfaya National Park, you will see breathtakingly perfect lines of vines and fig trees.

Day 3 - Saturday
AGADIR / MASSA EN
4X4*

Massa, located south of Agadir, opens onto an endless beach, like a desert bordering the ocean. Your 4x4 vehicle will take you through Berber villages and oases before reaching Tifnit beach. Continue following the sandy Atlantic coast and the dunes of Sidi Rbat to the Massa lagoon. A huge magical lagoon which has created an ideal habitat for birds.

Discover the richness of the Massa reserve located near Agadir. In this Atlantic coastal region, there are a multitude of different habitats, ranging from argan trees to cultivated lands, from dry steppes to small traditional fishing villages, including dunes, cliffs and sandy beaches.

Day 5 - Monday
CASABLANCA*

The biggest city in North Africa is famous for its stunning architectural beauty. Spacious avenues edged with elegant buildings, joyfully combining art deco and Moorish architecture, spread out from the centre, jostling with cupolas, lookout towers, colonnades, cedarwood balconies... Not far from the port, the Hassan II Mosque and its dizzying 200-metre high minaret dominates the city. Plasterers, wood-carvers, Zellige tile artisans, metal-workers and craftsmen of every sort have made this building a monument for all eternity. You will enjoy a sight-seeing tour of the city, stopping off to visit Notre Dame de Casablanca cathedral, the Royal Palace area and the Central Market.

Day 6 - Tuesday
TANGIER / TANGIER
AND THE CAVES OF
HERCULES*

Before visiting the town, you'll travel to Cape Spartel, the most north-westerly point of Africa, from which you can see the Strait of Gibraltar. You'll visit the famous Caves of Hercules, where legend says Hercules separated Africa from Europe. At Cape Spartel, you can try traditional mint tea. Then you'll return to Tangiers, known as la Blanche, a source of inspiration for many artists and writers such as Matisse, Jean Genet and Joseph Kessel. You'll visit the Kasbah and the old Medina, with its bustling streets. At the end of the excursion, you'll have a little free time to buy souvenirs.

Day 7 - Wednesday
GIBRALTAR*

First Stop is Europa Point, on a clear day you can see the North African coast on the other side of the Straits of Gibraltar. You can also see the Spanish enclave of Ceuta, a Spanish occupied territory in Morocco. Along the way you have breathtaking views of the Bay of Gibraltar.

The Second Stop is St. Michael's Cave, a very large cave with stalactites and stalagmites, dating back millions of years. Our Third Stop is the Apes Den. You will then go to the Upper Galleries, the Moorish Castle, Old Town Calpe and along Queensway. You will enjoy some free time for shopping at the Market Place.

Day 8 - Thursday
