Itinerary of your cruise

Day 1 - Saturday CORFU	A coveted location at the gateway to the Adriatic, beautifully green mountains with creeks of white sand and a Venitian-style fortified town give it its own quite unique identity. Ship docked, no water sports. Boarding and disembarkation port of call.
Day 2 - Sunday OTRANTO	The old town of Otranto, located in Puglia at the heel of the Italian boot, is absolutely splendid. Its surrounding ramparts that protect the Aragonese castle, its white alleys and the pretty view of the small fishing port give it the appearance of an Arab town. Boat at anchor, beach, dive locker closed.
Day 3 - Monday DUBROVNIK	The ramparts provide a fabulous view over the sublime city centre, where every stone tells a story. The marble pavements and city lights contribute to the animation of this museum-city. Ship at anchor. No watersports.
Day 4 - Tuesday KORKULA	Founded in the 12th century BC by the Trojan hero Antenor, the history of Korcula has been enriched by a succession of civilizations: Greek, Roman, Illyrian, Croat and Venetian. "Little Dubrovnik" is also said to be the birthplace of Marco Polo. Ship at anchor, water sports available.
Day 5 - Wednesday BRAC ISLAND	Brac is the largest island in Dalmatia and protected from tourism. It is most famous for its comma-shaped "Golden Horn" beach. Its lush vegetation, many inlets and historic monuments make it a picturesque traditional island. Ship at anchor, water sports available.
Day 6 - Thursday VIS ISLAND	The island is famous for its authenticity. Its exceptional state of preservation is due to the fact the foreigners weren't allowed to visit the island between 1943 and 1989. Its stone houses with their green and white shutters, narrow little streets and the surrounding Mediterranean vegetation are like a living picture postcard. Ship at anchor, water sports available.
Day 7 - Friday MLJET ISLAND	Legend has it this "green island" was the home of the nymph Calypso. Today it is a national park. Its two inland lakes connected to the sea, from which a Benedictine monastery rises form a breathtaking natural spectacle. Ship at anchor, water sports available.
Day 8 - Saturday BARI	The capital of Puglia, Bari has always been a crossroads between East and West. The city is distinguished by the diversity of its districts: Murattiano, with its elegant boulevards and Art Nouveau buildings, leads to Bari Vecchia, a labyrinth of narrow streets and lively streetscape. Boat docked, no water sports and no direct access to a beach. Passengers boarding and disembarking at this port of call.

Formalities

CUSTOMS FORMALITIES

For all UK citizens, a valid passport is essential when you travel abroad. A full 10-year passport is required for holidays to all countries featured on our website. The passport must be valid for at least 6 months beyond your return date with one blank visa page. Make sure your passport is valid and check with the embassy or the consulate of your destination country if you need a visa for your chosen destination prior to travel. It is vital that the name given when booking your holiday (printed on the ticket and itinerary) is exactly the same as written on your passport. Any child, however old, must have his/her own passport. Please note Club Med cannot be held responsible for any issue with regards to passport or visas.

HEALTH FORMALITIES

Safe Together.

Club Med has implemented new hygiene and safety measures to offer you peace of mind and a most joyful experience.

As part of the fight against Covid-19, health measures at the borders are being reinforced and may in particular require a virological screening test (for example PCR test) depending on your country of origin, transit or destination before your departure and/or before your return.

We suggest you obtain more information from the consular services of the countries concerned or on the website of the Ministry of Foreign Affairs of your nationality and/or place of residence.

Recommended vaccinations: diphtheria, polio, tetanus, hepatitis A and B and typhoid.

Pregnant women who do not need constant medical supervision may come aboard, upon presentation of a medical certificate showing their due date and certifying that their pregnancy is compatible with the cruise.

The final day of the cruise must be before the end of the 26th week of pregnancy.

A doctor and a nurse are present on board.
