Main Restaurant
Main Restaurant

Inspired by the vibrant market of the Caribbean, this restaurant sets the pace from breakfast through to dinner. Centred around a spacious open kitchen, the buffet brings together international favourites, Mediterranean flavours and refined French pastries. In the evening, the experience continues with three distinct restaurants, each offering table service and its own culinary identity.

Gourmet Club
Gourmet Club

For those who prefer a leisurely start or a late lunch at their own pace, the Gourmet Club serves breakfast and lunch well into the day. Come evening, sea and grill take centre stage with a menu celebrating fresh fish, seafood and prime cuts of meat. With table service and a more intimate atmosphere, dinner reveals an entirely different side to the experience.

Specialty Restaurant
Specialty Restaurant

As night falls, this restaurant unveils two distinct worlds inspired by Japanese and Asian cuisine. Enjoy a selection of freshly prepared sushi or gather around the central Teppanyaki grill, where chefs cook meat, fish and vegetables before your eyes in a performance as captivating as the flavours themselves. Open exclusively for dinner, by reservation only.
