# 游泳池

## Indoor swimming pool

室内游泳池

Overlooking the surrounding landscape through large picture windows, the 25-yard pool is ideal for swimming a few lengths. Crawl, breaststroke... it's the ideal way to relax in the largest swimming pool of all Mountain Resorts after a day in the great outdoors. The forest-themed decor extends that feeling of being surrounded by nature and wide open spaces. Settle down in a hammock with a view of the St. Lawrence River: one of the best spots in the Resort.

A small shallow pool equipped with water games is perfectly suited to the little ones. The same goes for a game of hide-and-seek in the teepees beside the pool!

Children are under the supervision of their parents or an accompanying adult.

### Le Chalet

小食吧

Much like a dinner table with an exceptional view of the St Lawrence, Le Chalet is a unique and intimate experience. At the crossroads between the traditional and the modern, the culinary art of Quebec is constantly reinventing itself. With every meal, you can enjoy the elegant and colourful decor open to the ever-changing view of the river below.

Whether you're looking for breakfast or a late lunch, or a sharing platter for an aperitif, Le Chalet caters to everyone's tastes. The ultimate gourmet experience revolves around two major specialities\*: the Tomahawk prime rib and the Charlevoix fondue. Dip your fork in the caquelon or drizzle the juice over your meat - it's exquisite!

\* At extra cost and on booking

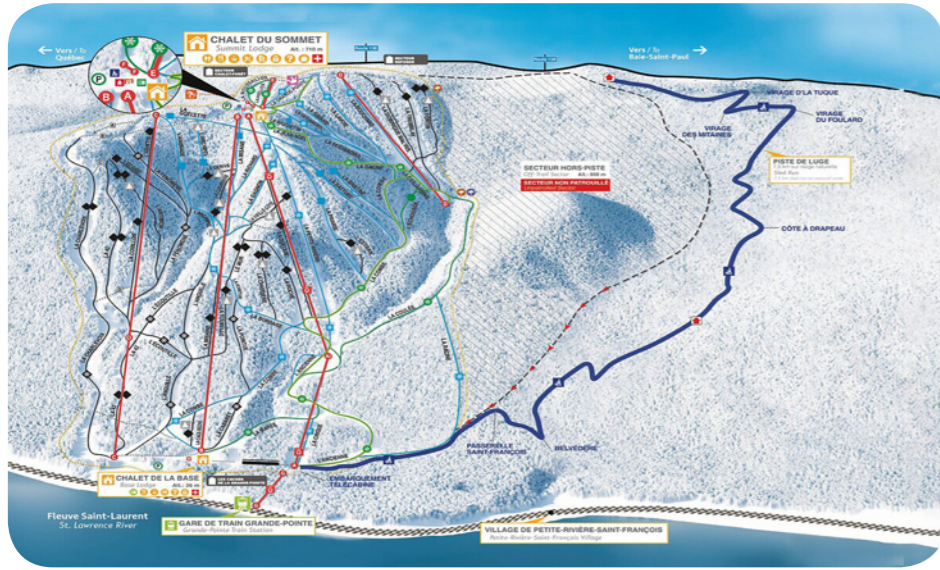

### Le Marché

主餐厅

The buffet at the centre of the restaurant has the look of a market hall with its pale golden wooden flooring. Having done justice to the local and international cuisine, all you have to do is find the best spot to enjoy it. You'll be spoilt for choice! Five restaurant dining rooms with five different ambiances: La Laiterie, La Moisson, La Légende, L'Orée des Bois and L'Accalmie. Each of these spaces celebrates one of the basic elements of gastronomy, such as hunting, fishing, agriculture, foraging and livestock farming.
